Greetings!

The Willard High Future Business Leaders of America organization will be presenting our 2nd Annual Car, Truck, & Motorcycle Show on April 21, 2018. This is a fundraiser for our students to attend our National Leadership Conference in Baltimore, Maryland this June. To attend this conference, students must compete, and advance through District and State level contests. While attending the conference, students have the opportunity to compete, attend leadership workshops, and network with students from all over the world.

By sponsoring our car show, you will be supporting a group of kids who have worked very hard and have put in numerous hours to qualify to go on the trip. Various levels of Sponsor Packages are available, ranging from \$50 to \$1,000. Attached is a list of the packages

Our show last year welcomed over 80 cars, and nearly 200 spectators. Through generous donations, we were able to raise money through entry fees, business sponsorships, a silent auction, and concessions. Our goal this year is to grow our entry numbers to over 100 cars.

We hope that we can count on you to help support our Willard FBLA students. Thank you for your consideration.

If you have any questions, or would like to donate, please contact Darin Van Stavern, FBLA Adviser at fbla@willardschools.net or by calling the school at 417-742-3524. You can also contact our Car Show Committee Chairperson, Kasey Brower at kbrower8196@gmail.com or 417-619-1083.

Sincerely

Darin Van Stavern, FBLA Adviser
